Irritating if swallowed, there may be soreness and redness of the mouth and throat.					

ARRO SUPRANANO

Product Name: SUPRANANO FLUORESCENT GREEN MAGNETIC FINGERPRINT POWDER

Product code: 02GRN

Revision Date: September 01, 2013

Froduct code. 020KN Revision Date. September 01, 2015					
In case of skin contact					
Mild irritation may be caused at the site of contact.					
In case of eye contact					
Mild irritation and redness.					
SECTION 5 Firefighting measures					
Suitable extinguishing media					
Extinguishing agents	Non-combustible extinguishing media should be used.				
Advice for firefighters					
Protective equipment	Wear self-contained breathing apparatus; wear protective clothing to prevent contact with skin and eyes.				
Hazardous combustion products / Special hazards	Combustion produces carbon monoxide and carbon dioxide.				
products / Special hazards	•				
Personal procestions	SECTION 6 Accidental release measures				
Personal precautions	Refer to section 8 for personal protection, do not create dust.				
Environmental precautions	Do not discharge into drains or rivers. Vacuum or sweep and transfer to a closable, labelled container and dispose according				
Clean up procedures	to local regulations.				
SECTION 7 Handling and storage					
	Ensure that there is sufficient ventilation of the area.				
Precautions for safe handling	Avoid formation of dust. Minimise the release of the substance or mixture to the environment				
	Store in a cool, well-ventilated area.				
Precautions for safe storage	Do not store above 120 [°] F. Keep away from oxidising agents. Keep the container				
	tightly closed until use.				
	SECTION 8 Exposure controls/personal protection				
Personal protective equipment					
Hygiene Measures	Keep away from foodstuffs. Avoid contact with eyes and skin. Handle in accordance with good industrial hygiene and safety practice by using				
	adequate ventilation and personal protection as needed. Wash hands before breaks and at the end of the work day.				
Skin and body protection	Protective clothing, gloves and rubber footwear for heavy contamination or spills.				
Eye protection	Safety glasses or splash goggles are advised to be worn while handling.				
Respiratory protection	Not required in unconfined or well-ventilated areas. Use NIOSH or EU EN149 standard approved respirators for areas where general ventilation is not possible				
Hand protection	Handle with gloves.				
	SECTION 9 Physical and chemical properties				
Appearance					
Form	Powder, iron based				
Colour	Bright green colour				
Odour	Not characteristic				
Safety data					
pH	No data available				
Melting point	No data available				
Boiling point

Product Name: SUPRANANO FLUORESCENT GREEN MAGNETIC FINGERPRINT POWDER

Product code: 02GRN

Revision Date: September 01, 2013

Flouuci coue.	UEOINI		Revision Date: September 01, 2015	
Evapora	tion rate	No data available		
Ignition te	mperature	No data available		
Lower expl	osion limit	No data available		
Upper expl	osion limit	No data available		
Vapour p	oressure	No data available		
Relative	density	No data available		
Solul	bility	Insoluble in water.		
Auto-ignition	temperature	No data available		
Decompositio	n temperature	No data available		
Visco	osity	No data available		
		SECTION 10 Stability	and reactivity	
Chemical stabil	ity	Stable under normal conditions		
Conditions to a	void	Heat.		
Incompatible n	naterials	Strong oxidising agents and strong acids.		
Hazardous deco products	omposition	No data available		
SECTION 11 Toxicological information				
Acute toxicity				
Hazardous	Components	CAS #/ EINECS #	LD50 of Ingredient LC50 of Ingredient	
1102010003			according to the applicable regulations.	
Skin irritation		Irritant for skin and mucous me		
		Irritant effect		
Eye irritation			l information	
SECTION 12 Ecological information				
Toxicity		No data available		
	rsistence and degradability No data available			
Bio accumulativ	ve potential	No data available		
Mobility in soil		No data available		
Additional information No data available				
SECTION 13 Disposable considerations				
Waste treatmen	tment methods Follow all local guidance and regulations on disposal for used and unused product.			
SECTION 14 Transport information				
None required				
SECTION 15 Regulatory information				
Risk phrases				
Safety phrases				
SECTION 16 Other information				
Disclaimer		ve information is believed to be correct but does not support to be all inclusive and shall be used a guide. ARRO SupraNano Ltd shall not be held liable for any damage from handling or contact above product.
